## TOWN LIBRARY

---

Our library continues to be located in the dwelling-house of Mrs. Abby J. Goodhue, librarian.

We have not used any money for the purchase of new books the past year. A small donation has been made. There is a liberal patronage by our residents and summer boarders and summer residents.

The trustees invite anyone or all who have knowledge of new and desirable books to send a list to either of the trustees. The intention is to make such purchases the coming year as will be interesting and profitable to our people.

# REPORT

## OF THE

### Springfield School Board

---

In making our annual report we will say that we have made repairs by shingling the buildings in the Morgan Division, the shed in Center Division and repaired the underpinning of the house. We also made minor repairs on the buildings in the other divisions amounting in all to one hundred dollars and thirteen cents, which leaves us practically one hundred dollars of the money that was raised for repairs at the last school meeting.

The buildings that are occupied are in fair condition, excepting paint. The unoccupied houses need looking after. The house in the Chase Division is a good building, but the windows during the past year have been badly smashed. Something should be done either to dispose of the building or board up the windows.

In former reports we think your attention has been called to the subject of attendance at school, so that you must be well informed in regard to the duties of parents to the school.

We were troubled somewhat to procure teachers for all the schools. Some that we would have been glad to have retained as teachers chose to tune schools of only one pupil, so we lost them. The attendance has been fairly good, all things considered. The truant

officer has not been called upon to enforce the attendance of scholars, a little plain talk has seemed to do the business so far.

In regard to criticisms of teachers, if you think the teacher is not quite to your liking don't overhaul her or him before your children. Enter your complaint to the school board and have the matter properly attended to so the teacher can hold the respect of her pupils, and her own reputation need not be injured.

In closing these remarks, we invite you all to come out to the school meeting and help elect a new member of the board, and help to raise such sums of money for school purposes that the pupils' can reap the benefits of the common school education, and help them to grow up to be good and true "American citizens."

Respectfully submitted,

EDWIN F. PHILBRICK,

CARL B. PHILBRICK,

LOYAL BARTON,

School Board.
